HELP TO CLEAN THE PLANET AND GIVE **NEW LIFE**

It is our goal to create a branded and stylish shoe collection by using recycled and more sustainable materials. Driven by passion and in cooperation with our strong partner network, we strive towards the next level of sustainability. Be part of our journey and help to protect the environment.

DESIGNED WITH GREAT PASSION, LOVE AND SUSTAINABILITY

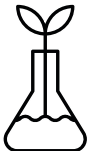

RESPECT FOR ANIMALS

Our products are
VEGAN and
of course FUR FREE.

STRONG PARTNER NETWORK

As a member of important
initiatives and in cooper-
ation with strong partners,
we strive to continuously
expand our level of
sustainability.

WATERBASED POLYURE- THANE (PU) AND GLUES

We are using PU materials
and glues on a water
base, that are made
without addition of DMFA
solvents.

WE CHOOSE TO CARE HOW THINGS ARE MADE

RECYCLED AND MORE SUSTAINABLE PACKAGING

Our packaging is made
from recycled and certified
sustainable materials.

Choose a product that is manufactured under environmental compliance, but still inspired by the latest fashion trends.
